# Miles-of-View Farms

The Miles-of-View herd has been made up from the top selling females of the best Shorthorn herds of the United States. For such a herd it was felt necessary to provide the best herd bulls that could be purchased. In 1940 Frank W. Harding was commissioned to buy the 1940 Perth Supreme Champion, and Calrossie Prince Peter was bid in at a total cost, including shipping charges, of \$9,000.00. This sale features 23 heifers bred to Calrossie Prince Peter and nine of his sons.

Calrossie Prince Peter was sired by Calrossie Randolph by Calrossie Grand National. Calrossie Grand National is by Calrossie Control. Calrossie Randolph sired the winning group of five bulls and the winning group of three bulls at the Perth 1940 Show. He also sired champion females at the Scotland shows. Calrossie Prince Peter is out of the dam Princess Mona by Naemoor Ian. This remarkable cow, a dark even roan, is the dam of three Perth Supreme champions, Calrossie Control, (1933), Calrossie Royal Emblem, (1930), and Calrossie Prince Peter, (1940). No other cow has ever produced more than one Perth Supreme champion. The reader will note that Calrossie Control, which is the great grandsire of Calrossie Prince Peter, is also out of the same dam as Calrossie Prince Peter. Calrossie Mercury, 1938 Perth Champion, (Edellyn Farms), and Calrossie Prince Peter are the only two Perth champions to come to the United States. The 1942 Perth champion, Rothes Prince, purchased by Eli Lily has not yet arrived. He was sired by Calrossie Sweepstakes, by Calrossie Randolph, sire of Calrossie Prince Peter.

Calrossie Prince Peter is a dark, even roan, with a great head, and looks the part in style and character which has been associated with Perth champions.

The Miles-of-View purebred herd is composed of one hundred twenty (all ages) highly bred Scotch Shorthorns. The policy in handling this herd, from the first purchase, has been to add no female not calculated to improve the herd as a whole. Results, we think, have been outstanding. One of the first cows purchased was Carmen, outstanding granddaughter of the great bull, Prentice. She dropped a bull calf in 1933, the first calf born at Miles-of-View. This calf was Gainford Marshal, which became International Grand Champion of 1937. Each year since 1932 has brought more top sale and show heifers from the greatest of breeding establishments, Edellyn Farms, Raveni Farms, Robinwood, Helfred, Sni-A-Bar, Maxwalton, Anoka, Conner Prairie, Tomson Brothers, and others.

In the Miles-of-View herd are the Junior champions, Helfred Verbena 3d and Joan 14th, and other champion and first prize cows of similar worth. From one of these original purchases came our Secret family one of which was the 1939 American Royal and International Grand Champion, Miles-of-View Secret. We have striven for one type of compact, blocky, low-set dams, and these prize winning and top heifers have gone straight into the breeding herd.

The bulls have been as carefully selected. We lost Imported Scotston Airman in 1939 and since that time have been using Miles-of-View Sultan, son of Brown-dale Sultan, International Grand Champion, Miles-of-View Airman, best breeding son of Imported Scotston Airman, and the Perth Supreme Champion, Imported Calrossie Prince Peter.

GEORGE B. LONGAN, Owner.

James Reid, Herd Manager.

## Browndale Prince

A Son of the Perth Champion,  
Calrossie Prince Peter.

This solid red son of Calrossie Prince Peter is just about as good a calf as has been offered for sale in recent years. He is about perfect in every way. He has a real head, perfect balance, is very thick, and right down on the ground. He will make a grand show calf as well as a top herd sire. His dam, Joan 14th, is as typic a cow as could be desired and was Junior Champion of the 1939 American Royal. Was shown only one season. She is a very heavy milker and her own milk is all that this calf ever had. Take a look at both his sire and dam sale day.

## Miles-of-View Prince

Take a look at  
his breeding.

This red calf by the Imp. Calrossie Prince Peter has all the essentials of a No. 1 herd sire, as he is out of the dam of the American Royal and International Grand Champion, Miles-of-View Secret. She is one of the very top Shorthorn cows in the country, and this calf has about everything it takes. He is a good deep red, very well fleshed, deep bodied, but has had no extra fitting. He is just right to go out and do good work.

## Victorious Prince

Superb breeding and individuality.

This nine-month-old son of the Perth Champion, Calrossie Prince Peter, is as good as his picture. He has a wonderful head and neck, is well balanced, has lots of bone and good wide deep hind quarters. His dam is just a heifer, her first calf, and furnished him all the milk he has ever had. For a heifer she is an extra heavy milker. She is by Browndale Cumberland and out of a dam by Browndale Captain. She was one of the top selling females in the Maxwalton sale of 1940.

## Miles-of-View Peter

A Real Herd Bull  
Prospect.

A dark roan son of Imp. Calrossie Prince Peter. A rugged, short legged fellow out of a real cow by the great Hercules Imperial by New Year's Gift, he being out of the twice International Grand Champion, Dorothy Anoka, a really great show cow. This calf is a rich roan with lots of bone and an extra strong bull head. He should develop into a great herd bull.

## Proud Prince

Out of a good daughter  
of Proud Archer.

This Bruce Augusta-Calrossie Prince Peter calf is just about as well balanced calf, as you could find. He has a smooth thick covering of natural flesh, is very rugged with plenty of size and has a nice clean head. He stands square on all four legs. His dam was one of the top cows in the Tomson herd at the time we purchased her and has been a very good producer in our herd, her calves always selling around the top in our consignments.

## Prince Claymore

May be one of the Good buys of the sale.

This son of Imp. Calrossie Prince Peter is a well balanced calf that carries his width from end to end. He is very stylish, has a good head, plenty of snap and is unusually thick. He is extra heavy boned and stands square on four good clean legs. His dam is by a son of Saltoun Claymore, a bull that has done more for Sni-A-Bar Farms than any other bull they ever used. This may be one of the good buys of the sale.

Look this fellow over  
very carefully.

If you are considering an extra low down, thick set herd bull prospect you won't find a calf that will fill that bill better than this good roan son of Imp. Calrossie Prince Peter. He is right in every way. He has just been weaned as his dam is close to calving again and has had no extra fitting. His dam is about as trim a cow as we have in the herd and certainly one of the heaviest milkers. Her daughter was among the extreme tops of our last year's sale. His dam is Crown's Secret by Sni-A-Bar Crown, an American Royal first prize winner, and she is out of Secret 4th by Browndale Star.

## Prince Royal

A great calf by  
a great sire.

Here is a herd bull if you are looking for a real one. This son of the Perth Champion has just about as nearly a perfect head as can be found and he is just as good all over. We figured on showing this calf but as his stall mate is of the same calibre we decided we didn't need two in the same class. His imported dam is of the best breeding. This calf carries a lot of Royal Leader breeding through both sire and dam. We are expecting great things from this son of Calrossie Prince Peter.

# White Eagle

A quality bull bred  
in quarantine.

If you are looking for a No. 1 herd bull this calf has got about everything it takes. A real bull head, very smooth throughout, lots of bone and very deep hind quarters. As good natural fleshed calf as you will find anywhere. There's plenty of Collynie Royal Leader blood in him too if that's what you are looking for. He was bred in quarantine, his sire being the red Cruggleton Nakomis imported for Mr. Ben Studer. We paid \$1300 for his dam, Larbert Princess 3d.

## Supreme Sultan

A show bull as well as  
a breeding bull

This good red bull is about as good a herd bull as will be offered this year. He stood second in class at the American Royal in 1941. The bull that stood ahead of him was made Grand Champion of that show. He will make a strong contender in the two-year-old class this year. If you are looking for a bull to show in this class this year he will be plenty hard to beat. His sire was an excellent breeding bull by the International Grand Champion, Sultan Browndale.

## Miles-of-View Aspiration

With sire, dam and  
individuality

A solid red bull by the Imp. Cruggleton Aspiration, who needs no introduction. His dam, Joan 14th, was the outstanding heifer of the year when Tomson Brothers showed her to become Junior Champion female of the 1939 American Royal. She is one of the very best heifers the Tomsons ever bred, if not the best, so if you are looking for a quality bred bull don't overlook this calf. Ask Jimmie Napier, of Sni-A-Bar, about his sire, and Jim Tomson about his dam when you see them about sale day.

## Aspiration 2nd

By an imported sire and  
out of a great dam.

This youngster should make a top breeding bull. He is sired by the Imp. Cruggleton Aspiration and out of one of the grandest cows in the country. His dam was the top selling female in the 1940 Sni-A-Bar sale and one of the top selling heifers of that year. When shown as a calf she was always right at the top of her class with the Junior Championship at Des Moines in 1939. She is a very heavy milker and furnished all the milk this calf ever had.

# Air Crown

A good red bull  
with ancestry.

As good a well balanced, solid red bull as you will find most anywhere. He is extra thick from end to end, has a real herd bull head and deep heavy hind quarters. His sire, Miles-of-View Airman, was the top selling bull in this circuit of sales last year. His dam is one of the tops cows in our herd, as well as one of the heaviest milkers. She is sired by the American Royal first prize winner and top selling bull, Sni-A-Bar Crown, and is out of the famous old cow, Secret 4th, the dam of champions.

## Miles-of-View Clipper

Safe in calf to the Perth  
Supreme Champion.

A Cruickshank Clipper and a real one. If you are looking for a heifer with real class there never was a better chance offered. She is as near perfect as they make them. Good deep thick covering of natural flesh, smooth even balance and a beautiful feminine head that denotes breeding and character. She is sired by Edellyn Gold Charm by Calrossie Goldfinder and he by the great Collynie Royal Leader. This heifer would make a grand show heifer for the two-year-old class this year were she not due to calve in August. Bred to Calrossie Prince Peter Oct. 31, 1941.

They are keeping her bull calf by Calrossie Prince Peter for a herd sire. Don't overlook this breedy heifer. Ask L. E. Crews about  
this one on sale day.

Here is a Cruickshank heifer of the extraordinarily short legged type being produced at the famous Crews Ranch, Haigler, Nebraska, and sired by the noted Victor's Gift. This solid red heifer is really the thick kind. If you are looking for short legs and deep thick natural fleshing this lady is right down your alley. A calf out of a heifer of her type sired by Calrossie Prince Peter should be "tops" in present herd bull requirements. She is well along in calf. Was bred to Calrossie Prince Peter Dec. 19, 1941.

## Augusta 18th

A Bruce Augusta  
out of a great cow.

One of the sweetest Bruce Augusta heifers you have had the opportunity of bidding on for some time. She has been running on pasture with her dam all summer and has had no extra fitting for the sale, but she is in nice breeding condition. Just one of those good doers that we all like to have around. Her dam is one of the most valuable cows in our herd. She is the dam of Red Augusta that did so much show winning for us. This heifer is good enough to go to the best of breeding herds. Will be bred to Imp. Calrossie Prince Peter.

## Miles-of-View Clipper 10th

These Clippers always go to good herds.

In this good red Gordon Clipper heifer we have a real sale attraction. Don't overlook her for she has about everything it takes. She is breedy looking, is smooth fleshed and well balanced. Her half sisters have always gone to the best herds in the country. Two years ago Dorsey Jones picked one of her half sisters for his breeding herd, and nothing but the best ever goes into the Raveni herd. This heifer is out of Imp. Cissy Clipper for which we paid \$1200 at the Harding sale in 1937. Bred Feb. 25, 1942, to Imp. Calrossie Prince Peter.

## Orange Blossom 19th

Out of a great Orange Blossom cow.

This Duthie Orange Blossom heifer is "tops." Her dam is a great breeding cow, and produced a half brother to this heifer, sired by Calrossie Prince Peter, that we are keeping in the herd for our junior herd sire. Should we show this calf he will be hard to beat as he is just about right in every respect, as near perfect as we could want him. Take a look at Rothe's Prince sale day and you will want this heifer in your herd. Bred Feb. 3, 1942. to Imp. Calrossie Prince Peter.

## Miles-of-View Clipper 19th

A very thick, short-  
legged heifer.

If you are wanting a richly bred Gordon Clipper this beautiful red heifer should appeal to you. Study her pedigree. She is thick, short legged, smooth and deep fleshed. She has about as many high ranking sires in her pedigree as can be found in any pedigree, among them Sultan Browndale, International Grand Champion, and Raveni Leader, all American Junior Champion, while her sire, Miles-of-View Sultan, is a grandson of the famous cow, Lena Clipper, a daughter of the great Collynie Royal Leader. There's rich inheritance here. Bred Feb. 8, 1942, to Imp. Calrossie Prince Peter.

## Fair Constance 30th

A good heifer of Bellows Brothers breeding.

A Duthie Constance and a mighty nice breedy heifer that is very smooth and of excellent type. Such a heifer as this bred to the \$9000 Perth Supreme Champion has a license to produce something of outstanding value to breed quality. She is well along in calf. Ask Dale Bellows about this heifer and what's behind her when you see him at the sale. Bred Jan. 3, 1942, to Imp. Calrossie Prince Peter.

## Winifred 19th

A three-in-one  
attraction.

This pair should be an attraction in any sale but where there is more than appears on the scene sale day to look forward to it becomes a super-attraction. Here you have a proven producing cow with a good interest coupon attached that's ready to cash in. A bull calf that carries every promise of becoming a show bull as well as a breeding bull, a rich roan fellow that looks like ready money right now. Sired by the Perth Supreme Champion and out of a richly bred, proven producing Proud Archer-Browndale Count cow. Winifred 19th's last bull calf now heads one of the good herds of the country. This calf at foot is "tops" in any herd. And the next coupon has every reason to be "just as good" and maybe a lot better. Rebred since Jan. 30, 1942, to Imp. Calrossie Prince Peter.

## FOUR CALVES BY BLUEMONT FAVOR

none over ten months old. All of these, also four yearling heifers by Sni-A-Bar Sentinel 2d, bred to Bluemont Favor are included in the Roanridge consignment.

The Roanridge herd is a typical farm herd, grown without nurse cows and without the benefit of a skilled herdsman. They will give a good account of themselves on a farm where Shorthorns are the main source of income.

Under the capable handling of H. L. Brown the Roanridge offering will be presented in attractive condition but not extremely fat. They will do well in the hands of their new owners.

Bluemont Favor is proving to be an outstanding sire.

## Roanridge Victor

A bull that you  
will like.

This is the most promising calf ever produced in the Roanridge herd. He is right in breeding, type, quality and color. He should go to a herd where a deep bodied, short legged, heavy boned, thickly fleshed and good headed bull is needed. If properly fitted he will develop into a show bull.

The cow Clipper Countess 2d topped the Sni-A-Bar sale, going to the Deacon herd in Canada where she produced Glenburn Field Marshal. Her daughter, by Prentice, retained at Sni-A-Bar, was mated with Cluny Clarendon to produce the dam of Roanridge Victor.

## Roanridge Rosemary 3rd

A most attractive type.

All of the Rosemarys offered heretofore have been selected by breeders of national reputation. This one will be considered by many good judges as the best of the Roanridge offering. She is not only of most acceptable type and quality, but has the style and breediness which are always appreciated but seldom found. She should develop into a breeding cow of exceptional merit.

## Lady Gloster 7th

A good heifer with most attractive breeding.

The Duchess of Gloster family traces back to College Duchess 2d sold by the Kansas Agricultural College, bringing the highest price ever attained for a beef breeding cow of any breed in the state. On this foundation the best of imported blood has been fused with that of Browndale Count, Village Marshal, Avondale, Rodney. This heifer should develop into a cow with quality and scale.

# A Letter From Capt. MacGillivray

## Breeder of Imp. Calrossie Prince Peter

The following interesting letter from Prince Peter's breeder, Capt. John MacGillivray, received after Prince Peter had been shipped to Miles-of-View Farms reads:

"I made the remark when selling Prince Peter that I never put a bull of better conformation through the ring. You may think he is dark enough around the muzzle, but I hope you will not worry about that. Please remember so many of our best sires were that way, including Garbity Field Marshall, Naemoor Ironclad, Naemoor Cock Robin, and many others. His dam, as you know, is also dam of Control and Royal Emblem. I have no photograph of Princess Mona (dam of Prince Peter) but nobody could wish to see a more pleasing or better headed female with her great muzzle, wide between the eyes, short face, big ears and nicely turned horns, and then her brisket and quarters and milk vessel. Good enough for a dairy cow. One of her greatest assets was her bone, which with her head she inherited from Naemoor Ian. I may have as good a cow but never a better one."

Miles-of-View Farms is both a Kansas and Missouri purebred Shorthorn establishment. The Farms consist of four hundred fifty acres, half in Kansas and half in Missouri, and lie ten miles south of the city limits (78th Street) of Kansas City, at what would be 140th Street and State Line road. It is one mile north of Kenneth, Johnson County, Kansas; and one mile west and a half mile south of Martin City, Missouri.

# How to Get to Miles-of-View Farms

The routes to Sni-A-Bar and Roanridge Farms are also shown on the map below.

Miles-of-View Farms, Sni-A-Bar Farms, Roanridge, Merryvale Farm and Gregg Farms are all within thirty miles of Kansas City. On these farms more than 1,00 head of high quality, pure bred Shorthorns of all ages, representing the best breeding in America, may be found. The herd bulls are outstanding.

In addition to these herds Shorthorns are a chief source of income on hundreds of farms in this area. Many of these farm herds are headed by sires selected from the above named herds. Nowhere else in America could so many Shorthorns of like merit be found within the limits of a day's drive.
